The Honorable Kay Granger
Chairwoman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Alturas Industrial Site Cleanup & Community Redevelopment project in fiscal year 2024. The entity to receive funding for this project is Nevada California Oregon Railway, located at PO Box 1583, Alturas, CA 96101. The funding would be used for the purchase of five parcels to remediate the industrial grounds of the old railroad facilities. The project is an appropriate use of taxpayer funds because the scale of work to be completed under this project is too complex and costly for an individual to accomplish, or for the City of Alturas to complete due to lack of available funds and staff.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Doug LaMalfa
Member of Congress
